Single Family on 0.00 Acres

Lynnwood, Edmonton, AB

Family bungalow located on a quiet cul-de-sac in Lynnwood. Three bedrooms up & two down. The home had a front addition put on in 1986 which included a larger foyer & extended the primary bedroom to allow more space & lots of closet space. The kitchen includes lots of cabinetry, built in pantry & built in desk. Featuring 2 fireplaces, one up & one down in a large rec-room space. Improvements to this home are shingles (2022), A/C (2020), furnace and hotwater tank in 2021. The electrical panel has been upgraded. There is a composite deck accessed through patio doors from the dining/living room. Also there is double detached garage and a fully fenced private yard. Refresh by removing the carpet and exposing the hardwood in the living room & hallway on the main. With upgrading and TLC this home can shine again & would make a great family home tucked into a wonderful neighbourhood close to amenities.

Built in 1959
