Former Coventry Homes Showhome – a place that feels like home the moment you walk in. Warm wood details and 9'™ ceilings on both the main floor and basement create a sense of space and sophistication from the start. The kitchen is the heart of the home, featuring stainless steel appliances, a gas stove, elegant two-tone cabinetry, tile backsplash, and quartz counters with a waterfall edge – all centered around an inviting island made for gathering. The open dining area flows seamlessly into a cozy living room with a beautiful fireplace, perfect for quiet nights or lively get-togethers. Upstairs, a raised-ceiling bonus room offers space to relax, while the primary suite feels like a retreat with its 5-piece ensuite – soaker tub, glass shower, dual sinks, and walk-in closet. Two more bedrooms, main bath, and laundry complete the level. The finished basement adds a family room, 4th bedroom, and 3-piece bath. Outside, enjoy a fully landscaped yard, deck, and double attached garage
